Inventory Information

This list of rental inventory and product codes serves a valuable purpose. By providing ARA with a complete listing of your store's inventory, we can better market your store to interested consumers through RentalHQ.com and other ARA resources. These efforts bring more consumers into your store and help generate more rentals. Please look through all the categories on both pages and **check all items that represent your inventory**. Our list may vary from how you would categorize your inventory, so please check carefully. If you have any questions, please call Member Services at **800-334-2177**.
